

Laker Guide to SML Marinas

Another summer is underway at Smith Mountain Lake and nobody is as ready to hit the water as you, right? Before heading out, you'll want to make sure you have everything necessary to make the most of the warm-weather days.

Whether you need a boat, gas, a dock slip, a casual restaurant, a well-stocked tackle box, life jacket or a variety of other lake necessities, there are numerous SML marinas that can hook you up. Before starting out, find your best option with the Laker's annual Marina Guide, which starts on the following page. Updated for the season, the guide includes important information on each marina's location (by land and water), hours of operation and various amenities.

At the Smith Mountain Laker, we're doing our best to help you squeeze every last ounce of enjoyment out of the summer season. Keep this guide handy, have fun and be safe!

Building
QUALITY CUSTOM HOMES
& CUSTOM REMODELING
in Southern Virginia for Three Generations

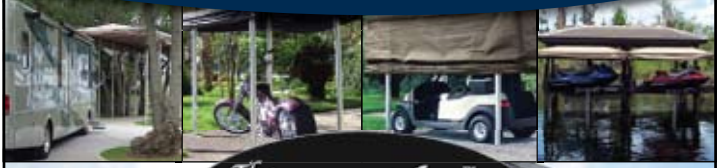

“Richard and Jason are very straightforward, honest, and fair. They were instrumental in situating our home to maximize our views and give us the largest usable yard possible. The subcontractors they utilize were all highly skilled and professional. They were very accommodating with changes we made as construction progressed, and fair in pricing the changes. I would recommend RJH without hesitation to anyone looking to build a home.”
Jason Ream
